Open for Registrations only £30!

12th and 13th September 2011

Register now for the most exciting eHealth conference in Scotland this year! Held this year at the prestigious **Royal College of Surgeons of Edinburgh**.

We have an extensive ==***International speaker Programme***== *over both days with three themes held in three parallel tracks and separate plenary Keynote speaker track headed up by an introduction from Derek Feeley (acting) CEO of NHS Scotland.*

Programme themes include:

Patient involvement using eHealth: patient portals, social networks, personal health systems

Medications support from eHealth: ePrescribing, decision support, medications reconciliation

Telehealthcare: mobile health, telehealth, telecare
.

NHS Scotland eHealth Awards!

For the second time we will be presenting the 'NHS Scotland eHealth Awards!'. These awards are given to winning NHS teams for three categories sponsored by BCS, the Chartered Institute for IT.

Exhibition: We are very grateful to our sponsors with 20 commercial exhibitions in a superb bright area where after the first day we will have a fun social event with plenty of bubbly!

As a charity creating this not-for-profit event BCS Health Scotland has been able to produce all this for the incredibly low delegate registration prices starting at only £30.

So register soon for the early bird rates, find us at
