# A Blueprint for Health Records Research in Scotland

Dr	Claudia	Pagliari	The University of Edinburgh, General Practice section
Dr	Sam	Pattenden	London School of Hygiene & Tropical Medicine, Public Health & Policy
Dr	Ewan	Pearson	University of Dundee, Medical Research Institute
Prof	David	Porteous	University of Edinburgh, Medical Genetics section
Prof	Gillian	Raab	University of St Andrews School of Geography & Geosciences
Prof	Richard	Sinnott	was at National e-Science Centre, University of Glasgow. Now University of Melbourne
Dr	Sarah	Wild	University of Edinburgh, Public Health Sciences
Prof	Jeremy	Wyatt	was University of Dundee now Institute for Digital Healthcare, University of Warwick

#### **Scientific Management Group:**

Prof	Sarah	Cunningham- Burley	University of Edinburgh, Public Health Sciences
Dr	Chris	Dibben	Reader, University of St Andrews, School of Geography & Geosciences
Prof	lan	Ford	Director, Robertson Centre for Biostatistics and Glasgow Clinical Trials Unit, University of Glasgow
Prof	John	Frank	Director, Scottish Collaboration for Public Health Research and Policy, MRC Human Genetics Unit
Mr	Ron	Jamieson	Lay representative
Prof	Graeme	Laurie	Director of Research, University of Edinburgh School of Law
Mrs	Helen	Millar	Lay representative
Prof	Andrew	Morris (Chair)	Director, Medical Research Institute, University of Dundee SHIP Principal Investigator
Dr	Stephen	Pavis	Head of Programme, NHS Information Services Division
Dr	Anthea	Springbett	Programme Principal, NHS Information Services Division
Prof	Frank	Sullivan	Director Scottish School of Primary Care, University of Dundee
Dr	Hester	Ward	Medical Director, NHS Information Services Division
Dr	Violet	Warwick	Scottish Health Informatics Programme Manager, University of Dundee
